Airline Under-Seat Pet Carrier Size Chart

Under-seat carrier sizes and pet fees from the pet pages of airlines that state dimensions.

Last checked November 18, 2026. Source: Delta: pet travel overview; JetBlue: traveling with pets; Frontier: pets onboard.

Airline carrier size limits, from each airline's own pet page

Airline	Carrier	Max size (L x W x H)	Fee	Checked
Delta Air Lines	Soft-sided recommended	18 x 11 x 11 in Recommended maximum; the limit depends on the aircraft	$150 each way, U.S./Canada, tickets issued on or after April 8, 2025	2026-11-18
JetBlue	Soft- or hard-sided	17 x 12.5 x 8.5 in Stated maximum	Not stated on that page	2026-11-18
Frontier (soft-sided)	Soft-sided (recommended)	18 x 14 x 11 in Stated maximum	Not stated on that page	2026-11-18
Frontier (hard-sided)	Hard-sided	18 x 14 x 8 in Stated maximum	Not stated on that page	2026-11-18

- Only airlines whose own pet page opened and stated carrier dimensions are listed. Left out (page blocked, not found, or no dimensions stated): Alaska, American, Southwest, Spirit, United.
- Always confirm with your airline before you book: limits depend on the aircraft.
